

NEIGHBOURHOOD PLAN NEWSLETTER 7 (Nov 2018)

HURDLES ON THE LAST LAP

There are three hurdles to achieving the Neighbourhood Plan.

1. to secure the approval of the Examiner,
2. to secure the approval of the District Council,
3. to get the support of Exmouth voters in a referendum.

We are on track towards the referendum next March.

FINAL PUBLIC CONSULTATION

The draft Neighbourhood Plan was submitted to EDDC who arranged a public consultation from 4 September to 17 October.

Consultation Data:

- ✓ There were 12 responders making a total of 19 comments.
- ✓ 8 of the 12 responders were positive and required no action.
- ✓ 7 Statutory authorities responded.

All the responses are available for the public to view on the EDDC web-site.

Action will depend largely on whether the Examiner considers that the responses are substantive. In that event further consideration will be given to the details of the Plan.

POSITIVE COMMENTS AT EDDC CABINET

At its meeting on 3 October the EDDC Cabinet gave first consideration to the Plan for Exmouth. It was welcomed as a high-quality, professional piece of work and there was generous recognition of the massive amount of work for all involved to produce the Plan for East Devon's largest town. The cabinet minutes and an audio recording of the meeting are on the EDDC web-site.

EXAMINERS REPORT AT CHRISTMAS

The Examiners' Report is due in December. This will include a final statement on the draft Plan's conformity with regulations and strategic plans and on any modifications that need to be made. There is a possibility that the Examiner's report will be delayed until early in January, but the Exmouth NP Steering Group has provisionally arranged to meet on 18 December. Hopefully, that will be to welcome our arrival at the point where we can prepare for the referendum and to ensure residents are well informed about the Neighbourhood Plan
