Comment:

PM9 - The Group welcome inclusion PM 9, 12a but would like this section to be referred to within the Housing Section of the Plan.

PM16 - The Group would like a footnote at the end of the first sentence in PM 16

“Exmouth will accommodate new housing developments to meet its local requirements, currently calculated to be 1.229 new units for the period 2013 –31¹

¹ See details of development on p 'n'
